FIDGET QUILT WORKSHOP

**SATURDAY, FEBRUARY 24TH
9 AM TO 3 PM ~ THE HALL**

Please join us for our second, super fun, creative day making the lap sized quilts for an Ottawa senior's residence. Fidget quilts or blankets provide sensory or tactile stimulation through the use of fabric choices, colours, colour combinations, textures, and the use of accents or simple accessories such as pockets, laces, secured beads, trims, appliques, buttons, ribbons, braids etc. As many discovered last time, you do not have to be able to sew to enjoy this workshop. You can be the creative one in a team choosing the items to go on the quilt. If you have a sewing machine, please bring it along. Please bring your own lunch. Coffee and tea will be available.

Please contact Bea Robertson (bea.roberston@gmail.com) or Lannie Mitchell (lanniemitchell@gmail.com) for more information.

FORGIVENESS

REDEEMING THE PAST, UNBINDING THE FUTURE

WEDNESDAYS, FEBRUARY 28TH,
MARCH 7TH, 14TH & 21ST
6 TO 8 PM ~ HALL

Forgiveness can heal past wounds and open a future less determined by the past. It can also heal relationships, transforming enmity into friendship. This study will explore the Biblical and theological traditions of forgiveness in dialogue with the arts and the social sciences. In the process we will also look at the different dimensions of forgiveness and its limits, as well as explore related topics such as repentance, restitution, confession, sin and confrontation. In addition, this study will discuss some of the essential practices necessary to make forgiveness a way of life that contributes to building God's beloved community. Our Honourary Associate, The Reverend Canon Dr Gary Hauch will facilitate.
